

# Behaviour Principles Written Statement for Chiseldon Primary & Nursery School

## Purpose

At Chiseldon Primary & Nursery School, we are committed to fostering a positive learning environment where all pupils can thrive. Our behaviour principles are designed to promote a culture of respect, accountability, and kindness, ensuring that every pupil feels safe, valued, and ready to learn.

## Core Principles

### 1. High Expectations:

- We maintain high expectations for behaviour that are clearly communicated to all members of the school community. Pupils are encouraged to demonstrate self-discipline and respect for others.

### 2. Inclusivity:

- We recognise that every pupil is unique and may require different levels of support to meet behaviour expectations. We are committed to providing tailored interventions to help all pupils succeed.

### 3. Positive Reinforcement:

- We believe in the power of positive reinforcement. Good behaviour will be acknowledged and rewarded, fostering a culture where pupils are motivated to make positive choices.

### 4. Consistency and Fairness:

- Our approach to behaviour management is consistent and fair, ensuring that all pupils understand the consequences of their actions. This predictability helps create a safe and secure environment.

### 5. Collaboration:

- We value the partnership between staff, pupils, and parents. Open communication and collaboration are essential in promoting good behaviour and addressing any issues that arise.

### 6. Safety and Well-being:

- The safety and well-being of all pupils are our top priorities. We will take swift and decisive action to address any incidents of bullying, discrimination, or aggression, ensuring that our school remains a safe space for learning.

## 7. Reflection and Growth:

- We encourage pupils to reflect on their behaviour and understand its impact on themselves and others. Our aim is to help pupils develop the skills necessary for personal growth and responsible citizenship.

## Implementation

This Behaviour Principles Written Statement will guide the development and implementation of our Behaviour Policy. It will be reviewed annually and communicated to all staff, pupils, and parents to ensure a shared understanding of our commitment to maintaining a positive school culture.
